

# Making a Bird Nest

- Equipment needed :
- 2 Bowls, one of which sits in the other.
  - Kettle with water
  - Wooden spoon
  - Tea spoon
  - Oven gloves

- You will need :
- 2 broken shredded wheat
  - 12 squares of Chocolate
  - 3 spoons of Golden Syrup
  - 4 Cake cases
  - 12 Small eggs

## Instructions :

- 1) Put some boiling water in the bottom bowl, and place the top bowl on top with the broken up chocolate and golden syrup already in.
- 2) Stir the mixture.
- 3) Once the mixture is smooth take the bowl off the boiling water, using oven gloves.
- 4) Add in the broken shredded wheat.
- 5) Stir around until all the shredded wheat becomes covered in the chocolate mixture.
- 6) Take the mixture out of the bowl with the wooden spoon, and scrape off into cases.
- 7) Repeat until all the mixture is split between the cake cases.
- 8) Add the sugary eggs for effect, a couple in each.
